This is what **leaders** from multiple award-winning, founding B corporation www.CookFood.net had to say after their recent experience of the 'Coach To Lead' programme...

A fabulous learning experience for both my personal and professional development...

Will was able to provide the fast feedback I hadn't heard... about how my style could be turbo-charged to make me a better all-round leader with all kinds of people... Will managed to improve every member of the group with his kind, attentive and supportive style.

What a great experience... I'm a better leader and a better person thanks to working with Will.
