

“Only highly connected teams are able to create moments of magic under pressure!”

Team Day – Process

1. Clarify Purpose...

Initial **discovery** with session sponsor, followed by 1:1s, and / or participant questionnaire

2. Energise & Inspire...

Design / co-design of the learning experience, **informed** by felt-needs, and **tailored** to ‘stretch’

3. Support & Stretch

Delivery of the session, followed by ‘in the room’ **capturing insights** and intentions, backed-up by post-session **support to implement change.**

Testimonials (see more at <https://www.trustpilot.com/review/www.withdiversity.com>)

*“Will brought great **energy and wisdom** as he engaged with our senior team prior to the event and led us through the day. He **created a safe and collaborative space**, and it was notable how he **brought out all of our strengths** to collectively generate shared goals and strategy.”*

- George Herbert, MD, Hobbs House Bakery ★★★★★

*“Will facilitated an excellent, **refreshing and inspiring** team session. We got so much from Will's fun yet focused style of facilitation.”*

- Inge, Head of L&D, Seismic ★★★★★

*“Will was **thoughtful and insightful in both the design and delivery** of coaching with our leadership team. He brought a calm-spaciousness and thoughtful structure that allowed us to step back from our day to day and better understand our impact on one another and co-create some solutions and better ways of working.”*

- Essie North, CEO, Big Change ★★★★★
